SUMMARY

Front-End Developer and Computer Science student with hands-on experience building responsive, user-friendly web applications using HTML5, CSS3, Bootstrap, JavaScript (ES6+), TypeScript, and React. Delivered a freelance client project end-to-end through ITIDA Gigs, with working knowledge of Git/GitHub version control, CRUD application development, and cross-browser responsive design. Active in competitive programming (ICPC) and in the tech community as a Front-End mentor at GDG Minya. Seeking a Front-End Developer / Web Development internship to apply technical skills to real-world projects.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, C++

Front-End Development: HTML5, CSS3, React.js, Bootstrap, Responsive Web Design, Cross-Browser Compatibility, JSON

Tools & Practices: Git, GitHub, Version Control, CRUD Operations, Data Structures & Problem Solving

Design: Figma (Design-to-Code)

PROJECTS

To-Do List App (React) — Task Management with Authentication

Live Demo

- Built a task management application in React with a login/sign-up flow and full CRUD functionality
- Structured reusable components and managed UI state to handle task creation, updates, and completion

Rose Shop — E-Commerce Landing Page

Live Demo

- Built a functional e-commerce flow with a shopping cart and automatic price calculation using JavaScript
- Implemented a Favorites feature and individual product detail views for each item
- Connected the full purchase flow from product selection to cart, with a fully responsive UI built using HTML5 and CSS3

Creative Library — Interactive Book Catalog

Live Demo

- Designed an interactive library interface displaying books with structured summaries and details
- Focused on clean data presentation and an intuitive, user-friendly browsing experience

EXPERIENCE

Digital Egypt Pioneers Initiative (DEPI) — React JS Trainee *(2026 – Present)*

Ministry of Communications and Information Technology (MCIT)

- Participated in the Digital Egypt Pioneers Initiative (DEPI)
- Received technical training in React.js
- Worked on practical tasks and projects related to the training track

Freelance Front-End Developer — ITIDA Gigs *(2026)*

- Secured a client project through a submitted proposal on the ITIDA Gigs freelancing platform
- Independently built and delivered a complete blog website using HTML5 and CSS3
- Completed the project end-to-end and received payment upon successful delivery

EDUCATION

Bachelor of Computer Science — Faculty of Computers and Information, Minya University

Expected Graduation: 2028 | Currently: 3rd Year

CERTIFICATIONS

- Responsive Web Design — freeCodeCamp
- Modern JavaScript — ITI Mahara-Tech
- MEARN Stack Development — ITI Summer Training
- Front-End Dev Arena — TIEC @ Creativa
- Web Development Intro — TIEC @ Creativa

ACTIVITIES & HONORS

- GDG Minya — Front-End/Web Development Mentor (2026)
- GDG Minya — Technical Member (2026–Present)
- ICPC — Problem Solving Trainee (2024)
- Most Cooperative Team — Dev-Arena Competition, TIEC Creativa (2025)
